

## Event Assistant

### Program Description

Through its Zero Waste Pennsylvania (ZWPA) and Hard to Recycle (HTR) Collection programs, Pennsylvania Resources Council (PRC) is seeking highly motivated individuals to help assist at events in the Southwestern Pennsylvania region. PRC's Hard to Recycle and Zero Waste services help divert waste from the landfill.

### Work Summary

Event assistants may assist with two different waste diversion programs at PRC.

At Zero Waste Pennsylvania (ZWPA) events, you will help PRC educate event participants while maximizing the diversion of materials from landfills. ZW Event Assistants serve as ambassadors of ZWPA by educating patrons about Zero Waste and helping them sort their waste properly to maximize diversion. ZW Event Assistants also maintain high quality material in each recycle and compost bin to ensure the material meets third party standards, and are responsible for setup and maintenance of the collection system.

At Hard to Recycle (HTR) events, Event Assistants will help unload hard-to-recycle items from attendee vehicles including televisions, computers, appliances, tires, and items of varying size. Event Assistants must be able to be on their feet for 5 hours, capable of lifting 50 lbs, and able to arrange their own transportation to the collection site.

*Pay rate: \$15/hour. This is a contracting position and hours are available as needed by events. Contracting opportunities are concentrated from May – September, mostly on weekends and evenings.*

***2022 Event Schedule will be emailed to all contractors in late March, and contractors may sign up for shifts on a first-come first-serve basis.***
